

# Spring Half Term One

## Spring Term Topics

### 'Frozen Kingdom

This term we will be studying the Arctic Ocean and the Antarctic; the North Pole and the South Pole.

Within the topic, we will be looking at a wide variety of areas: the exploration of these regions in the 1900's, Living Things, the spectacular features of the two amazing regions within our world and Art work that has developed within some of the communities who live within the Polar regions. We will be using the outstanding BBC documentary 'Frozen Planet' to help answer some of our questions.

### Dates for your Diary

Wed 10<sup>th</sup> Jan – Science Workshop  
Thurs 18<sup>th</sup> Jan – 10am Y6 Class Mass  
Mon 22<sup>nd</sup> - Fri 26<sup>th</sup> Jan – Whole School Maths Week  
Tues 6<sup>th</sup> Feb – Final Submission for Homework Books

14<sup>th</sup> – 18<sup>th</sup> May 2018 SATs Week

Please ensure that your child is in school for the whole of this week!

### P.E. days

Wednesday afternoon and Friday morning PE slots are sometimes changed due to Hall usage therefore **ALL children are expected to have a full kit in school EVERY day**

School kit consists of plain black shorts, a plain white T-shirt and plimsolls. For outdoor PE – which they may still do - children can wear trainers and a tracksuit over their T-shirt and shorts.

### Year 6 Staff

Mrs. Lawrie – Teacher  
Mrs. Davies – Teaching Assistant

### Homework Books

Children have their new Homework Grid for 'Frozen'. The Homework Grids were an even greater success last half term and THANK YOU to all parents who support their children in completing their Homework to such a high standard.

Homework Club is on Tuesday 3:00-4:15pm – please encourage your child to attend (especially if they are struggling to achieve minimum points.)

As always, we are looking for **good quality presentation and handwriting** within their books.

I ♥<sup>2</sup>  
Maths

Finding opportunities to use Maths in daily life is vital in the next few weeks and months. Please make sure that your child knows ALL of the Times Tables as well as the division equivalents. Use maths EVERY DAY in money, recipes, card games and at any opportunity that arises. It really is crucial to help with applying what they have learnt in school.

Thursday 18<sup>th</sup> January  
10am Y6 Class Mass  
at St. Alphonsus' Church

All Parents and Family are welcome.
