Charging, Remissions & Lettings Policy

Roles and Responsibilities

The Trust's Board is responsible for determining the content of this policy and the Head Teachers for its implementation. Any determination with respect to individual parents/carers will be considered jointly by the respective Head Teacher and the Trust's Director of Finance & Corporate Services (DFCS). While the responsibility for the implementation of this policy and provision rests with Head Teachers, on an operational basis, the management, responsibility and evaluation of this policy will be undertaken by each academy's School Business Manager.

Suggested Audience

All staff and parents

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented, the circumstances under which voluntary contributions will be requested from parents/carers and how lettings are to be managed and administered.

Activities for which charges cannot be made

The Trust's Board recognises that legislation prohibits charges for the following:-

- An admission application.
- Education provided during Academy hours (including the supply of any materials, books, instruments or other equipment).
- Education provided outside Academy hours, if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the Academy, or part of religious education.
- Tuition for students learning to play musical instruments, if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the Academy.
- Entry for a prescribed public examination, if the student has been prepared for it at the Academy.
- In exceptional circumstances examination re-sits and at the discretion of the Head Teacher.
- Education provided on any trip that takes place during Academy hours that is part of the National Curriculum or an examination.

- Education provided on any trip that takes place outside Academy hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the Academy, or part of religious education.
- Supply teachers to cover those teachers who are absent from the Academy accompanying students on National Curriculum or Examination Courses.
- Transporting registered students to or from the Academy premises, where in the past, the local education authority has had a statutory obligation to provide transport.
- Transporting registered students to other premises where the respective academy's Local Management Board or in the past, the Local Authority has arranged for students to be educated.
- Transport that enables a student to meet an examination requirement when he or she has been prepared for that examination at the Academy.

Activities for which charges may be made

Head Teachers will consider asking parents/carers to meet the costs of the activities detailed in the following table. The charges will be made after consultation with parents/carers, will not exceed the cost of the provision and will be proportional for each student. Lessons / activities will not be confirmed until parental/carer agreement has been received, ideally by return of a signed reply slip.

Remissions

Students whose parents/carers are in receipt of the following support payments will, in addition to having a free school meal entitlement, also be entitled to the remission of charges for board and lodging costs during residential and other Academy trips.

The relevant support payments are:

- Income Support
- Income Based Jobseeker's Allowance
- Income-Related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1998

Charging, Remissions & Lettings Policy

- Child Tax Credit, where the parent/carer is not entitled to Working Tax Credit and whose annual income (as assessed by the Inland Revenue) does not exceed £16,105 (as at April 2016) (in respect of this item, account will need to be taken of any revision to the amount)
- Guarantee element of State Pension Credit
A child aged 16-18 is also entitled if they receive any of the above benefits in their own right.

All letters to parents/carers regarding activities which request a contribution will include a statement inviting those parents/carers receiving any of the benefits above to contact the Academy in confidence if they would like their child / children to participate and giving details of the relevant benefit to allow the Academy to confirm this where required.

Voluntary Contributions

Head Teachers may ask parents/carers for a voluntary contribution to support Academy activities.

The terms of any request made to parents/carers will specify that it is a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents/carers:

- a) That the contribution is genuinely voluntary and a parent/carer is under no obligation to pay.
- b) That registered pupils at the Academy will not be treated differently according to whether or not their parents/carers have made any contribution in response to the request.
- c) The activity may not take place if insufficient contributions are made.

The responsibility for determining the level of voluntary contribution is delegated to the School Business Manager, under the direction of the Head Teacher.

The Head Teacher will have the responsibility for determining which students attend an activity.

Lettings

A letting may be defined as “any use of the academy buildings and grounds by parties other than the academy”. In line with the Trust’s Financial Regulations and Procedures School Business Managers are responsible for maintaining records of bookings for facilities and for identifying the sums due from each organisation. Payments must be made in advance for these facilities whenever possible and charges levied must be on a full cost recovery basis. This would take into account all relevant costs such as, but not limited to, staffing, security, utilities and cost of the

Charging, Remissions & Lettings Policy

use of any equipment. An additional rate of return can be applied when operating in a commercial environment. Where an academy wishes to charge a rate at lower than full cost this must be approved by both the Head Teacher and Chair of LMB/Finance Committee with the reasons documented. Further advice can be provided by the Trust's DFCS. The scale of charges will be determined annually by each academy's Local Management Board or Finance Committee.

Lettings that are well managed will enable safe access to the academy's premises, promote use by the wider community and safeguard the interests of both the academy and Trust.

There are three types of letting agreements:

- **Short Form Lettings Agreement** – this arrangement is used when members of the public wish to use an area of the academy premises for an activity. An example is the use of a MUGA pitch to play football, or use of a room for members of the public to practice sewing. A Lettings Agreement should be completed which lists terms and conditions for the use of the premises. Anyone wishing to hire a room on behalf of a commercial organisation, registered charity, established group/ association or who is employed for the purposes of the activity must enter into a Facility Hire Agreement. Anyone providing a service to children will also require a Facility Hire Agreement. This agreement does not create a business tenancy. The Applicant should sign the Lettings Agreement, acknowledging and agreeing to adhere to the stated terms and conditions (see Appendix A).
- **Facility Hire Agreement** – this agreement is used when the Local Management Board is approached by a third party to provide a service/ activity to children or members of the community on the academy premises. Such activities will not be supervised by academy staff. Examples include dance tuition, arts and crafts clubs, sports coaching, community groups, associations and commercial organisations. This agreement does not create a business tenancy. Applicants should complete the application form and return it to the School Business Manager (see Appendix B). Once approved the guidance attached at Appendix C should be used to allow for the template agreement (See Appendix D) to be populated and signed by both parties.
- **Permanent Lease Agreement** – this agreement is used when the Local Management Board wishes to have permanent groups on site who occupy parts of the premises on an exclusive basis. The academy will not have access or use of a room and the occupier controls the space. An example is an independent nursery occupying a part of the academy premises. A lease agreement will be required for this arrangement. The lease creates a business tenancy. ***Such an arrangement would not be possible without the prior written consent of the Secretary of State for Education, the Trust and the Diocese.***

Charging, Remissions & Lettings Policy

An academy reserves the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition incurring additional cost for cleaning, caretaking or other expenses. The academy will also seek to recover any costs incurred that are unavoidable and result directly from the cancellation of a letting.

Head Teachers will need to be satisfied that the hirer is able to manage the let in accordance with academy's principles and policies before agreeing to accept the booking. If the Head Teacher does not feel that satisfactory management and security procedures will be in place during the letting they should not accept the booking application. If the Head Teacher has any concerns about whether a particular request for a letting is appropriate or not, he/ she should consult with the both the Chair of the LMB and Trust's DFCS.

The School Business Manager will decide what type of agreement is appropriate and ensure all documentation is received, checked and verified. For regular users or block bookings, income due and income received should be recorded, e.g. on control sheets, allowing balances outstanding to be clearly identified. Where lettings income due remains outstanding, prompt and appropriate recovery action should be taken and in line with the Trust's Financial Regulations and Procedures.

The Local Management Board reserves the right to terminate a hiring agreement at any time on reasonable grounds and the right to cancel any booking based on reasonable grounds, giving one month's notice in writing for any cancellation.

Other charges

Charges may be made in accordance with the Data Protection and Freedom of Information Act legislation.

Academy Meals

The Trust will determine and publish annually the price to be charged for Academy meals.

Monitoring and Review

Each School Business Manager is responsible for monitoring all aspects of this policy. An annual report should be provided to each Local Management Board or Finance Committee, giving actual figures around charges levied, parental/carer contributions and lettings users and income.

APPENDIX C FACILITY HIRE AGREEMENT

Facility Hire Agreement – Guidance

INTRODUCTION

A Facility Hire Agreement creates legal rights and responsibilities and so the parties need to consider whether they should take independent legal advice about entering into it. The individuals signing on behalf of the 'User' may be taking on personal liability by doing so.

The Facility Hire Agreement is intended to set out standard terms which Academy and third parties might consider adopting, with spaces for information that the Academy and the third party can add based on what they have agreed. These Notes provide guidance on the standard terms and the areas where the parties need to add extra information.

NOTE 1 - THE PARTIES

The "User" is the legal entity in which the academy is contracting with i.e. a registered commercial organisation or charity.

If the User is an organisation, the name of the organisation, registered address and registration number should be stated as the contracted party.

If the User is not a registered organisation (i.e. partnership or club) it is important to set out the name and address of the individual who is authorised to sign the agreement on behalf of the User.

If the User is an individual, set out their name and address.

NOTE 2 - THE TRANSFERRED AREA

It is useful to attach a plan to the Facility Hire Agreement marking the area that is being transferred. If this is not possible, define the transferred area as clearly as possible [at Schedule 2] to avoid confusion. It is also important to set out what additional areas the user can have access to, such as toilets and changing rooms and to indicate if any particular routes need to be taken.

NOTE 3 - NOTICE PERIODS

The Academy may terminate the agreement at any time by giving two weeks' notice. The third party may terminate the Agreement on two weeks' notice (at no costs).

NOTE 4 – THE FEE

Set out any other arrangements that the parties have agreed, for example, method of payment or day of week for payment.

If the Local Management Board is not charging a fee, include a nominal amount (E.g. £1) so that the other terms and conditions can still be legally-binding on the parties.

NOTE 5 – USER'S OBLIGATIONS

Set out any specific obligations that the parties have agreed.

Charging, Remissions & Lettings Policy

NOTE 6 – INSURANCE

The insurance policies must be in the name of the User as stated in the contract. Where the arrangements are complex or unusual it is sensible to check with the RPA Insurance Section that the insurance cover is adequate.

NOTE 7 – VAT

If in doubt, seek advice on this clause and the applicability of VAT to the arrangements from the Central Trust Finance Team.

NOTE 8 - SIGNING THE AGREEMENT

To formally complete the Agreement, both parties need to sign it. Normally, the Agreement should be dated with the date that the last party signs it, as this is the date on which the agreement is made. The date of the agreement is set out at the start of the document.

NOTE 9 – POLICIES AND PROCEDURES (SCHEDULE 3)

There are a number of policy/ procedure decisions to consider when developing a Facility Hire Agreement. The following should be included in the agreement:

- Description of the staffing arrangements during the letting
- Description of the employment arrangements
- Contingency plan for academy closure (both temporary and permanent)
- Safeguarding protocols
- Equal opportunities policies
- Restrictions/ priorities for particular user groups
- Health and safety responsibilities
- Financial charging arrangements for management and overhead costs
