

Spring Two Half Term

Daily Mile

On TV, radio, online and through adverts all around us, we hear about lots of research and advice on how to be healthier. Generally, each message can be put into two phrases:

Eat less sugar!

Move more!

In school, we are trying to encourage the children to move more by completing a mile of walking, skipping, jogging or running every day – even staff are joining in too.

It is not a competition, just a fun way of getting our children to think about a healthier life style. Each mile takes 15 minutes. Please encourage your child to join in with this throughout the school day and talk to them about how important movement is to build muscles and improve fitness.

We have only won the Attendance Award for KS2 once this year!

Please make sure that your child is in school

EVERY DAY

so that we can win it at least once this half term!

KS2 Maths

Mental Maths Buster

Maths Revision Books will soon be available to buy at the School Office. All 3 books can be bought for only £5 in TOTAL.

The books will be used at school and at home.

Spring Term Topics

'Blood Heart'

This term our topic is 'Blood Heart'. This involves looking at the Human circulatory system, including the dissecting of a heart, and researching ways to keep our hearts healthy.

So prepare for lectures about smoking, exercise and drinking too much alcohol! 😊

Homework Books

As well as their Homework Grid, children will be bringing home tasks that are linked to SAT revision. These will include Numeracy, Reading, Spelling and Grammar.

Children will be rewarded with **extra points** for this homework when it is completed.

Please get your child used to doing some reading, spelling and number work every night – 10 minutes of each will be enough to keep them sharp.

This will help them to develop their memory skills. Reading especially will help to extend their vocabulary.

P.E.

Wednesday and Friday

ALL children are expected to have full kit in school EVERY DAY.

School kit consists of plain black shorts, a plain white / house colour T-shirt and plimsolls. For outdoor PE, children can wear trainers and a black / navy tracksuit over their T-shirt and shorts.

Dates for your Diary

Thurs 1st March – World Book Day (normal day)
Friday 2nd March – Space Themed **Dress-up day**

Mon 12th March – Parent's Evening

Mon 26th March – Parent's Evening

Sunday 25th March – Palm Sunday

Thursday 29th March – Break up for Easter

14th – 18th May 2018 SATs Week

Please ensure that your child is in school for the whole of this week!
