Summer term 2

Welcome back! We hope that you had a fantastic half term and you're all well rested, ready for the new half term to begin!

Our topic this half term is

Below is an overview of what we will be learning over the next half term.

English

As part of our topic we will be reading 'The Indian in the Cupboard' by Lynne Reid Banks. From this we will be writing adventure stories, postcards, emails and diary entries.

Mathematics

In Maths we will begin to look at statistics in order to interpret and present discrete and continuous data, using appropriate graphical methods, including bar charts and time graphs.

Science

In Science we will begin to look at electricity. This will allow us to investigate conductors and insulators, construct a range of simple circuits and construct working switches.

Topic

Our Road Trip USA topic will allow us to experiment with traditional American foods. We will carry out product research on Native American dream catchers and look at weaving within our Art and Design module.

Important Information

Reading - please read at home each night with your child. It is extremely important that children are reading regularly to support their learning. We will be keeping track of how many times children read over the half term and prizes will be given to those who read a minimum of 5 times each week!

Homework Grids - Homework grids must be completed by the last Tuesday of each half term. Please ensure homework books are brought in each Tuesday so that they can be kept up to date. We will be keeping a record of completed homework across the term.

PE - Please ensure your child has a full PE kit in school including black / navy shorts, black / navy tracksuit bottoms, white or house colour t-shirt and plimsolls. PE is on a Tuesday and Thursday each week.

Dates for your diary:

- 14th June - Y4 trip to Frankie & Benny's.
- 26th June - Sports day.
- 29th June - Beach trip.
- 2nd July - Y4 Multiplication check.
